We are looking forward to your attendance at the Warner Soccer Training Centers sponsored by Warner Sports, Inc. We know that you are coming to learn more about soccer and improve your individual skills. It hardly seems necessary to list rules and regulations; however, so there will be no misunderstanding, **violations of the following rules will result in immediate dismissal from the Center.**

1. You are expected to remain at the School at all times; permission to leave must be obtained from the Director and check out procedures must be followed as given by Director.
2. You are required to attend all meals, training sessions, games and lectures unless permission to be excused is given by Director.
3. Once you are assigned to a room, you are not to change it without formal permission from the Director. After the "Lights Out" time each night, you are not allowed to be out of your room to sleep in another room.
4. It is expected that students will live together with mutual respect for one another and their property. It is forbidden to enter another student's room during his/her absence. It is also expected that you respect all students from other camps and the administration at South Gate.
5. Flammables, explosives, & firearms are not permitted in the School. Tampering with electrical wiring, lighting, fire equipment or alarms is forbidden.
